

Food Facts

Hello Families! Here is some pertinent information you need to know about meal times at Enfield Street School. Please feel free to let us know if you have any questions.

Breakfast

Breakfast is available to all students on a daily basis. The cost of breakfast is \$1.00. Students must have their money in a clearly labeled bag. Students having breakfast will go directly to the cafeteria once they come to school. Please make sure your child knows if s/he is having breakfast. Once the bell rings, breakfast is no longer served. If children have not finished, they may bring their breakfast back to the classroom.

Lunch

A hot lunch is available to all students everyday. The menu is sent home at the beginning of each month. There is one choice for lunch each day and includes milk. The cost of lunch is \$1.75. Please send your child to school each day with their money in a clearly labeled bag or envelope. You can pay for lunch daily or pre-pay on Mondays. If you choose to pre-pay on Monday, you can choose any or all days to purchase lunch, however please make it clear which days are being paid for.

Students may also bring their own lunches from home. Please be sure to provide all utensils needed for lunch. It is best if your child can independently open all or most items s/he brings for lunch. We encourage students to bring healthy well balanced meals each day. Students who bring cold lunch have the option to purchase milk daily for \$0.50.

Snack

Students may bring one small snack item and beverage to eat during snack time. Snack time is a short period of time and is not intended to be another meal, but rather a quick break to recharge and refresh. Like lunch, students are encouraged to be able to open snacks independently. Healthy snacks are recommended.

Allergies

Students are allowed to bring snacks and lunches that contain nuts. Students with nut allergies will be able to sit with a friend at an allergy free table.

Free or Reduced Meals

Information about free and reduced meal rates was sent home on the first day of school. If you think your family may qualify please fill out the paperwork and return to school.

Money "Tickets"

To help simplify the money process we have created several money tickets for the week. Simply cut off and complete the ticket that pertains to your meal: breakfast, lunch or milk. Send the completed ticket and money in a baggie to school. Please remember that breakfast, lunch and snack each need their own separate baggies. Only lunch may be pre-paid.

Please completely fill out the food ticket and include with your child's money.

Remember one bag for each type of meal. Breakfast money goes in one bag, lunch money in a different bag and milk money in a different bag.

Breakfast & lunch money should be placed in your student's daily folder. Milk money may stay in their lunch bag to be taken out in the cafeteria. It is especially helpful if your child is aware of what meals they are getting each day.
